10532 - "The Cave" by Mumford & Sons

LyricFind	Claude
<p>It's empty in the valley of your heart The sun, it rises slowly as you walk Away from all the fears And all the faults you've left behind</p>	<p>It's empty in the valley of your heart The sun, it rises slowly as you walk Away from all the fears And all the faults you've left behind</p>

The harvest left no food for you to eat
You cannibal, you meat-eater, you see
But I have seen the same
I know the shame in your defeat

But I will hold on hope
And I won't let you choke
On the noose around your neck
And I'll find strength in pain
And I will change my ways
I'll know my name as it's called again

'Cause I have other things to fill my time
You take what is yours and I'll take mine
Now let me at the truth
Which will refresh my broken mind

So tie me to a post and block my ears
I can see widows and orphans through my tears
I know my call despite my faults
And despite my growing fears

But I will hold on hope
And I won't let you choke
On the noose around your neck
And I'll find strength in pain
And I will change my ways
I'll know my name as it's called again

So come out of your cave walking on your hands
And see the world hanging upside down
You can understand dependence
When you know the maker's hand

So make your siren's call
And sing all you want
I will not hear what you have to say

'Cause I need freedom now
And I need to know how
To live my life as it's meant to be

And I will hold on hope
And I won't let you choke
On the noose around your neck
And I'll find strength in pain

LyricFind	Claude
I'm not the one who's so far away	I'm not the one who's so far away

When I feel the snakebite enter my veins
Never did I want to be here again
And I don't remember why I came

Candles raise my desire
Why I'm so far away
No more meaning to my life
No more reason to stay
Freezing feeling, breathe in, breathe in
I'm coming back again

I'm not the one who's so far away
When I feel the snakebite enter my veins
Never did want to be here again
And I don't remember why I came

Hazing clouds rain on my head
Empty thoughts fill my ears
Find my shade by the moonlight
Why my thought aren't so clear
Demons dreaming, breathe in, breathe in
I'm coming back again

I want something just like this

I've been reading books of old
The legends and the myths
The testaments they told
The moon and its eclipse
And Superman unrolls
A suit before he lifts
But I'm not the kind of person that it fits

She said, where'd you wanna go?
How much you wanna risk?
I'm not lookin' for somebody
With some superhuman gifts
Some superhero
Some fairy-tale bliss
Just something I can turn to
Somebody I can miss

I want something just like this
I want something just like this

Oh, I want something just like this

Where you can always find me	And in the night we'll wish this never ends

-----------	--------

I've been here before a few times
And I'm quite aware we're dying
And your hands they shake with goodbyes
And I'll take you back if you'd have me
So here I am, I'm trying
So here I am, are you ready?

Come on let me hold you, touch you, feel you
Always
Kiss you, taste you, all night
Always

And I'll miss your laugh, your smile
I'll admit I'm wrong if you'd tell me
I'm so sick of fights, I hate them
Let's start this again for real

So here I am, I'm trying
So here I am, are you ready?

<p>Love can be a many splendored thing Can't deny the joy it brings A dozen roses, diamond rings Dreams for sale and fairy tales It'll make you hear a symphony And you just want the world to see But like a drug that makes you blind It'll fool ya every time</p> <p>The trouble with love is It can tear you up inside</p>	<p>Love can be a many splendored thing Can't deny the joy it brings A dozen roses, diamond rings Dreams for sale and fairy tales It'll make you hear a symphony And you just want the world to see But like a drug that makes you blind, It'll fool ya every time</p> <p>The trouble with love is It can tear you up inside</p>

Make your heart believe a lie
It's stronger than your pride
The trouble with love is
It doesn't care how fast you fall
And you can't refuse the call
See, you've got no say at all

Now I was once a fool, it's true
I played the game by all the rules
But now my world's a deeper blue
I'm sadder, but I'm wiser too
I swore I'd never love again
I swore my heart would never mend
Said love wasn't worth the pain
But then I hear it call my name

The trouble with love is
It can tear you up inside
Make your heart believe a lie
It's stronger than your pride
The trouble with love is
It doesn't care how fast you fall
And you can't refuse the call
See, you've got no say at all

Every time I turn around
I think I've got it all figured out
My heart keeps callin'
And I keep on fallin'
Over and over again
The sad story always ends the same
Me standin' in the pourin' rain
It seems no matter what I do
It tears my heart in two

The trouble with love is
It can tear you up inside
Make your heart believe a lie
It's stronger than your pride
The trouble with love is
It doesn't care how fast you fall
And you can't refuse the call
See you've got no say at all

Make your heart believe a lie
It's stronger than your pride
The trouble with love is
It doesn't care how fast you fall

The trouble with love is
It can tear you up inside
Make your heart believe a lie

See, you got no say at all

Maybe cutting them a little slack
But their response, it didn't thrill us
They locked the doors and tried to kill us
We escaped from that gas
Then met Jar Jar and Boss Nass
We took a bongo from the scene
And we went to Theed to see the Queen
We all wound up on Tatooine
That's where we found this boy

Oh my my, this here Anakin guy
May be Vader someday later, now he's just a
small fry
And he left his home and kissed his mommy
goodbye
Sayin' "Soon I'm gonna be a Jedi"
"Soon I'm gonna be a Jedi"

Did you know this junkyard slave
Isn't even old enough to shave?
But he can use the Force, they say
Ah, do you see him hitting on the Queen
Though he's just nine and she's fourteen
Yeah, he's probably gonna marry her someday
Well, I know he built C3PO
And I've heard how fast his pod can go
And we were broke, it's true
So we made a wager or two
He was a prepubescent flyin' ace
And the minute Jabba started off that race
Well, I know who would win first place
Oh yes, it was our boy

We started singin', my my, this here Anakin guy
May be Vader someday later, now he's just a
small fry
And he left his home and kissed his mommy
goodbye
Sayin' "Soon I'm gonna be a Jedi"
"Soon I'm gonna be a Jedi"

Now we finally got to Coruscant
The Jedi Council we knew would want
To see how good the boy could be
So we took him there and we told the tale
How his midichlorians were off the scale
And he might fulfill that prophecy

Could talk the Federation into
Maybe cutting them a little slack
But their response, it didn't thrill us
They locked the doors and tried to kill us

Could he bring balance to the force?
They interviewed the kid
Oh, training they forbid
Because Yoda sensed in him much fear
And Qui-Gon said, "Now listen here
Just stick it in your pointy ear
I still will teach this boy"

He was singin' my my, this here Anakin guy
May be Vader someday later, now he's just a

Sayin' "Soon I'm gonna be a Jedi"
"Soon I'm gonna be a Jedi"

We caught a ride back to Naboo
'Cause Queen Amidala wanted to
I frankly would've liked to stay
We all fought in that epic war
And it wasn't long at all before
Little hotshot flew his plane and saved the day
And in the end, some Gungans died
Some ships blew up and some pilots fried
A lot of folks were croakin'
The battle droids were broken
And the Jedi I admire most
Met up with Darth Maul and now he's toast
Well, I'm still here and he's a ghost
I guess I'll train this boy

And I was singin', my my, this here Anakin guy
May be Vader someday later, now he's just a
small fry
And he left his home and kissed his mommy
goodbye
Sayin' "Soon I'm gonna be a Jedi"
"Soon I'm gonna be a Jedi"

We were singin', my my, this here Anakin guy
May be Vader someday later, now he's just a
small fry
And he left his home and kissed his mommy
goodbye
Sayin' "Soon I'm gonna be a Jedi"

Oh, the Council was impressed, of course
Could he bring balance to the Force?
They interviewed the kid
Oh, training they forbid
Because Yoda sensed in him much fear
And Qui-Gon said "Now listen here"
"Just stick it in your pointy ear"
"I still will teach this boy"

He was singin' ...
My my this here Anakin guy
May be Vader someday later - now he's just a
small fry
And he left his home and kissed his mommy
goodbye
